# TAILS & BEAU

- The School Holiday Solution

## Our October camp embraced the Autumnal theme and the children loved it!

The children took part in a variety of activities throughout the week at Tails and Beau. We love to promote creativity, exploration and fun in all we do. The girls and boys decorated **bird boxes**, created **autumn mobiles**, **collected leaves** for various art tasks, developed their theatrical independence in a **drama workshop**, relaxed and stretched through **yoga**, learnt about a business start-up with a visiting **embellishment** company, lost themselves in **free play** and **role play**, jumped for joy in various **sporting activities**, and designed and carved **pumpkins**. We are so fortunate to have four defined seasons, which are embraced and built into our programme here at Tails and Beau.

## Visiting guests

### Georgie Pratt – Drama workshop

Our week started with a bang when Georgie came in and led a drama workshop with the children. Providing children with the opportunity to express themselves is vital. They thrived with Georgie and became alive in her tasks.

### Sophie Potter - Yoga and Pilates enthusiast

Creating a period of calmness is key in our lives and that is exactly what the children were able to do with Sophie. A simply stunning yoga session was enjoyed by all!

### Madeline Griffiths – Creative Director and Founder of In Your Dreams

All children were embellished with gems, puffed with glitter and painted. The children were able to choose their design. We even had one who kept her design on over night as they she was not quite ready to say goodbye to it!
