TAILS & BEAU

The School Holiday Solution

Tails & Beau Outdoor Emphasis

We schedule time in our day for plenty of outdoor fun, games, forest school activities and much more. As we have mentioned before we place unstructured play at the heart of our break times at Tails & Beau. Children are able to create fun and stimulating environments with their friends in the garden using our range of toys.

Our Arts and Crafts theme is central to our vision, and the children enjoyed learning about Fizzy Paint, lighthouses and the seven continents.

Future Tails and Beau Dates

We are running four weeks over the summer.

17th July – 21st July

24th -28th July

31st July – 4th August

7th – 11th August

The Lighthouse Keeper's Lunch by Ronda and David Armitage

The children had great fun listening to 'The Lighthouse Keeper's Lunch' story and enjoyed building and decorating their very own lighthouse.
